Draven hurls two massive axes, dealing physical damage. Make sure you look around the map using your minimap to see if there are any low enemies that you can snipe with the ultimate. The axes return to Draven when they reach the edge of the map, hit a champion or upon reactivation. Make sure to use Flash and Heal as your summoner spells. What runes for Draven S12? A solid choice but there are better picks, regarding difficulty, this is a hard to play champion for new players in league of legends. How Do I Build Draven S12 Patch 12.3? Since this season 12 Draven Build and Runes will help you deal Physical damage, you will be focusing on building all damage. Marksmen are almost always built with full damage items with a few item exceptions. The comparable Marksman picks that are also strong, would be Kindred who is a top ranking choice. The final items you will need to complete your champion item build guide are a Infinity Edge and or Mortal Reminder. This champion currently has a Win Rate of 49.75% (Bad), Pick Rate of 2.96% (High), and a Ban Rate of 0.79% (Low). The Best mythic item for Draven you will build is Immortal Shieldbow followed by a Berserker's Greaves purchase. This pick has yet to see any notable play in other lanes. Is Draven Good Right Now? Ranking as the #22 Best Pick in the Bottom Lane role for patch 12.3, placing it within our B-Tier Rank.
